

Train Collectors Society

Any Make, Any Gauge, Any Age

Founded in 1979, the Train Collectors Society is for everyone who is interested in toy and model trains, of any size, material or vintage, including recent and current production. Every quarter we publish the Train Collector magazine, which contains a wide variety of articles covering the whole hobby. The magazine is edited by Pat Hammond, the well-known expert on Tri-ang & Hornby and former editor of *Model Railway Enthusiast*.

What does membership provide?
